Subject: I-12 to Bush - 309 DRAFT Comment letter

Hi Sharon,

This draft was sent to you to make sure of your buy-in on the alternative that was recommended by your staff. Since the 404 issues are the primary concerns and was critical to determine the rating. I asked John to send to you to assure that you are agreeable with the content of the letter as it relates to 404. I'll follow-up with you in a few days.

Rhonda M. Smith

Subject: I-12 to Bush, LA, proposed highway, 309 DRAFT Comment letter

Sharon,

Please see attached DRAFT 309 Comment letter for the above named project. Please review and provide any comments and/or concurrence as soon as possible. John Ettinger's wetlands comments are included. This is a draft as we have not yet received comments from the air and EJ programs.
